Arriving late or no show or departing early doesn't meet the time requirement for the training. **Students must notify both the Program Facilitator and Teacher in writing in advance of any planned absences.** There will be no reimbursement or partial tuition for any partial participation or missed classes.

Use of Audio Recording for Make-up:

Lodging Policy

This facility has clean and quiet shared room occupancy in a yurt (sharing a beautiful bathhouse). There are some tenting spots available if you prefer to camp (same lodging fee). Rooms are assigned in the order that your application is received with consideration of shared roommates for male and female. We support students to share rides and will try to coordinate as much as possible; ultimately you are responsible for your transportation. SMZC does provide a shuttle service for an additional fee paid by you if you need to be picked up from the Santa Rosa meeting point if you come in from the airport.

Payment and Refund Policy

- 1) **Late Payment Policy:** A late fee of **\$50** will be charged if payments are not received by each of the due dates. A fee of \$30 will be charged for any returned checks in addition to the \$50 late fee. Any payment that is more than one month late will be charged an additional \$50 for every additional 30 days. More than two delinquent payments will result in dismissal from the program. If you have made a special payment arrangement, the installment payment plan and the late payment policy applies if you are not keeping to your agreed payment schedule.
- 2) **Refund Policy:** By being accepted to this program, the student has committed to the full program. There is no refund or credit for missed classes or partial participation. The deposit fee is not refundable for any reason once you are accepted into the program but will be refunded in full if the program is cancelled or if your application is not accepted. If you need to withdraw from the Program for any reason more than 60 days prior to the retreat, your paid tuition amount minus the deposit is refundable as well as your lodging fee. If you withdraw from the program for any reason less than 45 days but more than 30 days of the retreat, your deposit and your lodging fee are not refundable but any remaining paid tuition fee can be refunded. If withdrawal is made within 30 days of the retreat there will be no refund or credit for the lodging fee and deposit, but any paid remaining tuition fee can be used as a credit towards a future Qi Dragon facilitated event. In all cases, a written notice of withdrawal needs to be submitted and received. If, after withdrawing from the program, you wish to attend any future same program, you will have to reapply and register for the entire program as a new applicant.
- 3) **Credit Card Charges:** Check or cash payment is preferred for your payment though credit card payment is an option. If you prefer to pay with your credit card, an additional 3% credit card fee applies. You may provide us a valid credit card to be kept on file for future authorized credit card payments or you can request us to send you an online invoice for you to pay with your credit card. A Paypal button is available online for your convenience. A late fee of \$50 will be charged for failed credit card charges if the payment is past due. You must report to Qi Dragon Office any changes to name, address or credit card information to avoid any late fee charges due to a failed credit card charge. If any legal action, including any collection procedure is necessary to enforce or collect past dues or any other obligations for non-payment, Qi Dragon shall be entitled to entry of judgment against you for the balance owing Qi Dragon as well as reasonable Attorney's fees and costs.

Testimonials

“After practicing Heavenly Essence Qigong regularly over the course of my Level 1 training, I feel happier, more grounded, like I have more energy, and a deeper sense of self. I has been a fabulous experience, which I highly recommend to anyone looking to improve their health, quality of life, and, dare I say, world at large.”

—Caleb G, professional gardener

“This program has been excellent not only just for the practice but for having people with whom I can actually work with. We are all focusing as much as we can on this practice, watching each other grow, and helping each other filling in the blank spots in our understanding... just having a community.”

—Darren H, computer programmer

“It is such a rare opportunity in life to come across a teacher like Liping. She is so inspiring and amazing in so many ways and really loves this practice. Liping keeps us all motivated. It is such a special opportunity to be able to study under someone like her. Heavenly Essence Qi Gong is a really amazing practice and I am so thankful that she has created the certificate program to allow all of us to deepen our study and heal friends, our family and ourselves. I am very grateful for this.”

—Maya M, licensed acupuncturist

“It has been a wonderful program for me and if you have a Qi Gong practice already and are interested to deepen it more, I would strongly encourage you to join this program. If you are novice to Qi Gong and are interested in it and are willing to make the kind commitment it requires, I think it is a great program. We have a wonderful wonderful teacher. I am extremely thankful and have a lot of gratitude for Liping for bringing this style here, for translating all the work that she has done with the students, and with all the materials she provides. It is a fantastic program. I can't speak highly enough about it. I would strongly encourage to do it if it is something you are interested in.”

—Andy L, licensed acupuncturist

“... as a cancer survivor in my late teens, followed by clinical depression in my 20s and 30s, I have always searched for some kind of practice that would make my life a little better. After I moved to the US and met Liping, I learned a great deal about myself and about how I could grow spiritually. Thanks to the certificate program now I have tools that I can use to help others the same way they help me to recover. For that I am very grateful. Thank you Liping.”

—Valerie B, accounting professional

“Being in this program for me was like opening a different and exciting world and, so far, I can say that it brought me more discipline in my life and I was able to create an almost regular practice. It made me appreciate what a good teacher Liping is. So it is really great and I am thankful.”

—Marie H, Yoga teacher
